Professor F. E. Burton,
University of Toronto.

Dear Professor Burton:

At the Cabut to-day I read your letter, and while the whole question of authorisation of dances is to come up later, I was asked by the Cabut to say that in the meantime they adhere to their earlier position and allow the use of the University buildings and of University sanction only for one dance in each Faculty.

With kind regards, I am,

Yours sincerely,

President.
